Exquisite Red
A sweet-tart, antioxidant-rich, caffeine-free infusion. This caramel hint of African honeybush is peppered with rosehip granule. The garnet-yam-colored brew has a tangy-sweet aroma with the caramelized gentle earthy undertone.

My Humble Bee
It tastes like it's fresh from the orchard. An amazing blend of caffeine free tisane of hibiscus, peach, rose petal, orange peel, and strawberry.

Midnight in Paris
The sweet taste of lush peaches, fragrant purple rosebuds, and lily blossoms are blended with the fine quality of black tea leaves.

Umami
A savory infusion of Japanese-style green tea masterfully orchestrated with a superbly refreshing mango, calendula, and safflower along with the succulent sweet taste of passion fruit to gratify your craving for both exceptional and novel treats.

Unparalleled Interlude
Luscious, fruity, and aromatic. A marriage between superior sencha green tea and a fresh, juicy taste of honeydew melon, lotus core, and zingy lemon balm.
